Dear Mr. Secretary-General,

I am pleased to confirm that ecoConnect CIC commits to and supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks with in the UK, EU and any other countries we may operate ; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours,

Robert S. Hokin
Chief Executive

ecoConnect is a low carbon industrial (cleantech) coalition and support group; an organisation that helps technology companies connect into Business Resources, Funding, and Policy. Our mission is to enable the rapid growth of the low carbon industrial sector.

We bring together leaders from all disciplines to progress best practices, collaboration and excellence. By connecting and working together we can increase the wider adoption of low carbon technology and help reduce the impacts of climate change faster. We are not-for-profit and politically independent.
